

# USER GUIDE FOR: **NERF MEGALODON**

## PRODUCT INFO

Crank to fire 20 darts in a row from the Megalodon toy blaster! This Nerf Mega blaster has a rotating drum that holds up to 20 Official Nerf Mega darts, giving you plenty of firepower for all your Nerf battles. Crank the handle back and forth and pull the trigger to launch 1 dart at a time, or unleash all 20 darts rapidly with slam-fire action. Experience the mega-firing power of this red Nerf N-Strike Mega toy blaster that shoots darts up to 85 feet (26 meters). The blaster comes with 20 big red Official Nerf Mega Whistler darts that are designed for power and make a whistling sound as they fly through the air. Official Nerf darts are tested and approved for performance and quality and are constructed of durable foam with flexible, hollow tips. Do not store blaster primed and ready to fire. For best performance, do not store darts in drum.
